Sub.: Webinar on New Techniques of Packaging for Carpet Industry

Dear Members,

As you are aware in the changing scenario of world business packaging of product is an important segment for the quality business. Buyers are very particular about packaging, therefore it is very important that the exporting community should be aware about the new techniques of packaging of their products proposed for export. Since we are producing and exporting the world class product and if it will be supplemented by nice packaging then the impression will be entirely different.

Keeping in the view of above, CEPC has planned to demonstrate for world class packaging techniques through an organisation of Govt of India which is of world repute. Indian Institute of Packaging, Mumbai is providing a wonderful opportunity to demonstrate the various kind of packaging techniques. Therefore, CEPC is organizing webinar on **"New Techniques of Packaging for Carpet Industry"** on **14th August, 2020** from **2:00 P.M.** onwards.

Dr. Tanweer Alam, Director (I/c), Indian Institute of Packaging, Mumbai will make a presentation on the scope of Packaging for the Carpet Industry and other Senior Officials from the Ministries will also address the participants.

The link for the participation is given below –
