To,

All Members CEPC

Dear Sir,

I wish to draw your kind attention to this Council's circular dated 30<sup>th</sup> January, 2020 regarding revamping of the testing facilities for carpets in IICT, Bhadohi. You all are aware that in present business scenario testing plays an important role and Members are facing difficulties in sending their carpets for testing at different locations and getting the reports which also cause delay in shipments.

You are well aware that Carpet Export Promotion Council stands in full support and Members and making all possible efforts to resolve the issues of Members and taking care of their requirements. In this context we are perusing with the Government for upgrading the testing facilities in the Indian Institute of Carpet Technology, Bhadohi. Govt. has finally agreed for revamping the testing facilities in IICT Bhadohi and to provide better services to the Industry.

We value your inputs and would like to request you to kindly send your inputs & suggestions on the testing facilities in IICT and further testing requirement.

Hope for your support and cooperation in sending the inputs by 8<sup>th</sup> December, 2020 to enable us to recommend the same to the Govt. in the larger interest of the industry. List of Machineries proposed by IICT is enclosed for your reference please.

Yours faithfully,
