MESSAGE

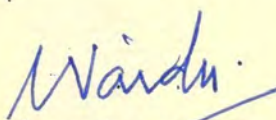

I am pleased to note that the Carpet Export Promotion Council (CEPC) is organizing the 41st edition of India Carpet Expo – Mega Virtual Exhibition from 27th January, 2021 with an aim to connect Indian suppliers of handmade carpets to overseas buyers.

The exquisite Handmade Carpets enriched by the aesthetic sense of Indian weavers are an invaluable part of our cultural heritage. Being highly labour intensive, the Industry provides gainful employment to millions of artisans in rural areas within their own homes, including women folklore. It is also a valuable source of foreign exchange for the country.

The ongoing Covid-19 pandemic and consequent travel restrictions across the globe have made any physical fair or exhibition difficult. In such a scenario, this Mega Virtual Exhibition will provide an excellent opportunity to small and medium manufacturers and exporters to showcase their latest range of products to the overseas carpet buyers and will help the sector in boosting its exports.

I am happy to know that the Organizers are bringing out a Virtual Fair Directory on this occasion containing vital information of the Industry which will enhance the image of the industry being a reliable and capable supplier of all types of Handmade Carpets and other floor coverings.

I wish this Exhibition a great success and extend my best wishes to the participants, overseas buyers, organizers and all others associated with this event.

We are constantly taking concrete measures towards bringing a positive difference in the lives of our weavers and the handicrafts sector. Our integrated efforts are opening new vistas of opportunities for the sector.

The carpet sector is a representative of brand India on global stage with strong market share and large-scale production. Our skilled carpet makers are constantly adding strength to our resolve of 'Vocal for Local'. In this context, this mega virtual exhibition will help showcase the excellence of design of our craftsmen to global buyers.

I am confident that the 41st India Carpet Expo will serve as a vibrant platform for the Indian weavers and craftsmen, as well as international buyers. The sharing of latest practices, technological breakthrough and experiences will be beneficial for various stakeholders.

May this Carpet Expo help in furthering our objective of building a strong, Aatmanirbhar Bharat. Best wishes to the organizers and participants for the all-round success of the Expo. I am sure that the Virtual Fair Directory will be read and appreciated widely.

The Direction of Exports from India

Main Countries of Exports – India is exporting to more than 70 countries in the world, mainly to USA, Germany, Canada, U.K., Australia, South Africa, France, Italy, Brazil etc. Started exporting to China

United States of America	55%
Europe	27%
Rest of World	18%

TARGET THRUST COUNTRIES FOR EXPORT.

Germany & other European Countries were the traditional markets for export of our products followed by USA. The European Markets have been fully developed & have reached saturation point. The Council envisaged following countries as thrust countries:

- **USA** – is still dynamic market for further expansion. CEPC is organizing a participation of its Members directly in Domotex, USA
- **LAC Countries** - Brazil, Chile, Argentina etc. – having potential & needs to be explored.
- **China**- having potential & needs to be explored. Labour cost is higher in China & hence they diversified its production from Handmade to Machine made. Hence opportunity for Handmade Carpets in China. **Council is going to setup warehouse in China to facilitate our Member-Exporters.**
- **Scandinavian Countries** – Norway, Sweden - having potential & needs to be explored. To explore the market, Council organized BSM in Norway & Sweden in the month of November, 2018.
- **South Africa** – having potential & needs to be explored.
- **Oceania Countries** – Australia & New Zealand – having potential & needs to be explored.
