All Members of the CEPC

Sub.: Export related issues faced by member-exporter.

Dear Members,

We are aware that the 2nd phase of COVID-19 and lock down in various States has put industry in a very difficult position and Members are facing various problems including shortage of labour for re-starting the production.

Hon'ble Commerce and Industry Minister wish to address export related issues faced by member-exporter on weekly basis.

Members are requested to take the benefit of the opportunity and send the issues affecting their exports **by return mail** to enable us to take up the issue at the appropriate level in the Govt. of India. The inputs furnished may also include harmonization of standard/ testing / certification procedures and MRAs with key export destinations for major products, which would elevate domestic production standards.

Hope for support and cooperation of Members in the larger interest of the industry.

Regards

Sanjay Kumar

Executive Director
