Sub.: **Advanced Cargo Information System – Egypt.**

Dear Members,

Embassy of India, Cairo, Egypt informed that the Government of Egypt, through its Egyptian Customs Authorities, has made mandatory Advance Cargo Information (ACI) declarations with its new Egyptian Customs Decree 38 for all cargo inbound to Egypt starting **1 July 2021**.

As per the new system Egyptian importer should register all needed documents of the shipment on the following portal www.nafeza.gov.eg/en. The importer will then receive a shipment number which will be communicated to the Indian exporter to mention it in their shipping documents. The process is managed through the National Single Window for Foreign Trade platform (NAFEZA), built by Misr Technology Systems (MTS). Key details of the decree are attached.

Members may take note of this important information for their exports to Egypt.

Regards,

Sanjay Kumar

Executive Director
