Subject: Indian Customs Compliance Information Portal (CIP) - www.cip.icegate.gov.in

Dear Sir,

Central Board for Indirect Taxes & Customs (CBIC launched the Indian Customs Compliance Information Portal (CIP) at www.cip.icegate.gov.in/CIP for providing free access to information on all Customs procedures and regulatory compliance for nearly 12,000 Customs Tariff Items. The portal would provide complete knowledge of all import and export related requirements for all items covered under the Customs Tariff thereby improving the ease of doing cross border trade.

CIP is yet another facilitation tool developed by CBIC to empower our business as well as any interested person with up-to-date information on the legal and procedural requirements of Customs and Partner Government Agencies (FSSAI, AQIS, PQIS, Drug Controller etc.) for carrying out imports and exports.

For using CIP, Members can simply enter either the Customs Tariff Heading (CTH) or the description of the goods in question to get information to step-by-step procedures, regulatory compliances requirements like License, Certificates, etc., for imports as well as exports.

Another important feature of CIP is a pan India map showing all the Customs seaports, airports, land customs stations etc. It also contains addresses of the regulatory agencies and their websites.

This type of initiatives will definitely help the industry and members are requested to take the benefits of the above.

Regards

Jag Mohan
