Subject: Seeking inputs for PLI Scheme for Textile

Dear Sir,

Taking steps forward towards the vision of an 'Aatmanirbhar Bharat', Government led by Hon'ble Prime Minister, Shri Narendra Modi, has approved the Production Linked Incentive (PLI) Scheme for Textiles for MMF Apparel, MMF Fabrics and 10 segments / products of Technical Textiles with a budgetary outlay of Rs. 10,683 crores. PLI for Textiles along with RoSCTL, RoDTEP and other measures of Government in sector e.g. providing raw material at competitive prices, skill development etc will herald a new age in textiles manufacturing.

PLI scheme for Textiles is part of the overall announcement of PLI Schemes for 13 sectors made earlier during the Union Budget 2021-22, with an outlay of Rs. 1.97 lakh crore. With the announcement of PLI Schemes for 13 sectors, minimum production in India is expected to be around Rs. 37.5 lakh crore over 5 years and minimum expected employment over 5 years is nearly 1 crore.

PLI scheme for Textiles will promote production of high value MMF Fabric, Garments and Technical Textiles in country. This will give a major push to growing high value MMF segment which will complement the efforts of cotton and other natural fibre-based textiles industry in generating new opportunities for employment and trade, resultantly helping India regain its historical dominant status in global textiles trade.

In view of the above, council is in receipt draft guidelines of above scheme for inputs and suggestions which has been notified vide notification No. 12015/03/2020-IT dated 24-09-2021.

Draft guidelines are enclosed herewith for your reference, you are requested to go through draft guidelines and provide your valuable inputs. Please submit your feedbacks by 24th October 2021 so that the same can be placed before Ministry of Textiles, Govt of India.

Your small efforts will be in interest of Carpet Industry.

Regards

Jag Mohan
Officiating Executive Director
