Subject: India-UAE CEPA - Implementation Issues reg

Dear Members,

This is with reference to issues related to implementation of the India-UAE Comprehensive Economic Partnership Agreement (CEPA). In this regard Ministry of Commerce has been receiving queries/requests for assistance related to their shipments to the UAE under the CEPA and one of the common issues that is being addressed to us is the issue of differences in the HS Codes at 8-digit level leading to non-applicability of the preferential duty rates. This is largely on account of the difference in product classification in the Tariff Books of the respective countries at the HS-8 level.

In this regard, to resolve this issue, members exporters are requested to use appropriate matching HS-8 Code from the UAE schedule of tariff commitments for availing applicable tariff concessions under CEPA. Kindly find enclosed Tariff Commitments of both India and UAE under CEPA in easily accessible excel spreadsheet format for reference and comparison purposes.

Regards

Dr. Smita Nagarkoti
Officiating Executive Director
